

The Heritage Society is our way of acknowledging donors who make the Foundation part of their estate plan or who provide perpetual support of our hospital through the creation of an endowment fund. These generous individuals are shapers of the future, making their mark with gifts that will benefit generations to come. An estate gift is so much more than a donation. It is a charitable act that provides a steady stream of support that allows the Foundation to respond to changing needs – forever.

To become a member of the Heritage Society, all you need to do is inform us of the provision you have made for the Foundation in your will or trust. The amount can vary and does not have to be disclosed. You may remain anonymous if you wish.

For more information, please contact Richard Olson, Director of Gift Planning, by phone at 612-262-6063, or via e-mail at Richard.Olson@Allina.com. Confidential consultation on charitable giving with Foundation staff or other experts is available.
